Should my boat remain at Trenton Marine Services past the expiration date of this contract I understand all excess storage time will be billed at the rate of \$25.00 per day.

I understand TMS retains the right, and option, to remove any boat from the service and place in outside storage for any bills overdue more then 30 days. I will not hold TMS responsible for any weather damage to my boat if placed in outside storage.

I give TMS the right to retain possession of my boat and associated equipment caused by any unpaid bills until such bills are paid in full with any late payment charges incurred.

I understand TMS may, at its option, institute such legal proceedings as may be necessary to collect any unpaid bills and that I will be responsible for reasonable attorney's fees and court costs in addition to the unpaid charges. I give TMS my permission to sell my boat for payment of unpaid charges if the said charges remain unpaid for two years.

I agree to follow those rules promulgated separately pertaining to the launch and retrieval service provided during the summer season. I further understand that customers are not permitted in the rack building or in any boat in a rack at any time.
